

## Improved Debit Card | Great New Features

- **No Surcharge ATMs:** Access one of the thousands of no surcharge ATMs nationwide on the Money Pass® Network. Locate an ATM near you by visiting [www.moneypass.com](http://www.moneypass.com).
- **Online Access:** Access real-time debit card information, including transactions and pending activity.
- **CardValet:** Download the CardValet App from the [Apple App Store](#) or through [Google Play](#) to give you more control over your card. Turn your card on and off, set transaction limits and alerts. Shortly after conversion many of the CardValet features will also be directly available in your mobile banking app.
- **More Digital Wallets:** Pay with your debit card in more ways than ever! Google Pay and Samsung Pay are coming in 2019.
